

## Silver Wings (D)

Silver (D) wings shining in the sunlight  
Roaring (Em) engines headed somewhere in fl(A)ight  
They're taking you a(D)way  
Leaving me lonely  
Silver (Em) wings (A) slowly fading out of (D) sight

Don't (G) leave me I'd (A) cry  
Don't (D) take that airplane ride  
But you (E7) lock me outta your mind  
Left me standing here be(A)hind
